

when available.

7) Upcoming live stream services (New Years Eve, New Years Day, first Sunday of January), going forward as planned. Andrea has reached out to Ed Sams regarding service chairs for 2021 livestream services. Important to get members of Sangha involved more in general, so that Board does not have to get involved in everything (take some of the burden off of the Board members, and to make Sangha members feel involved in the decisions/activities).

8) Movie Discussion Group: this has been successful, plan is for Ann and Joran to continue with this event, 3<sup>rd</sup> Sunday of every month at 2:00 pm.

9) Sock Drive: plan is for this to occur in February. Should try to get the entire Sangha involved.

10) Facilities: Archer has forwarded information regarding contacts/status on project for new sign (electrician, Fairfax County permitting, etc.), along with pricing from other religious organizations regarding programs similar to our Nokotsudo. Before any major changes are made regarding the Nokotsudo policy, Board will need further discussion with stakeholders and Sangha to reevaluate purpose, etc. Nokotsudo will be discussed further at future meetings.

11) Officers for 2021 Board:
