Spreading Only Compassion Virtual Fundrasier. Organized over two months by a small committee, resulted in a three day event. Overall went well, but there were some glitches with Zoom which resulted in poor attendance in the trivia. 5G internet worked well for streaming service on Sunday via Zoom. Entire fundraiser has been recorded and archived on Ekoji Zoom page.

\$22,138.00 total collected (\$3,200.00 of this is a pledge that is currently en route)

Plan is for Board to send personalized thank you notes to those who helped/donated.

Andrea got a good impression from her meeting with the Bishop of BCA, thinks that he feels like Ekoji is serving as a good role model for pivot to fundraising in COVID-19 era.
